House Saint-Rémy-de-Provence

It's a house where life is sweet... Discreet in the middle of a few others, almost at the end of a private cul-de-sac, it only discloses its qualities upon entry. You will then discover a large, bright, warm living room, with deep colours, comfortable armchairs and sofa, fireplace, TV, table and chairs, and a fully equipped kitchen which opens out to the enclosed garden. Upstairs, a master bedroom (queen size bed), with air-conditioning, built in cupboards and an en suite bathroom (basin, bathtub, WC), 2 bedrooms (140 cm beds), with air-conditioning and a decoration that all teens would love, and a family shower room (shower, 2 sinks, WC). On the terrace in front of the living room, a table for outdoor meals shaded by a pergola with adjustable blades, armchairs, outdoor sofas, pots overflowing with plants and flowers. The enclosed garden, without vis-à-vis thanks to its vegetation, highlights an old olive tree which provides a delicate shade. On the other side of the private cul-de-sac (this cul-de-sac is shared only by another house), the "pool garden": a beautiful enclosed space with a 10 x 4 swimming pool, wooden terraces, grass and plants, a shaded terrace with sun loungers and outdoor sofas. If you are looking for a welcoming, almost secret, house to spend peaceful family holidays, no doubt this one is for you... 2024 rate: €3000/week during peak season. Other rates according to season. Tourist tax according to number of adults and length of stay. This house is not suitable for people with limited mobility. Ref. : 685L54M
