Upstairs, a double bedroom, a shower room (shower, washbasin cabinet, toilet), two other double bedrooms sharing a family shower room (walk-in shower, washbasin cabinet, toilet). Outside, the 11 x 4 m heated swimming pool is secured by an automatic cover. Large terraces surround it, a pergola provides shade, a large covered terrace shelters the summer kitchen/dining room with sink, refrigerator, gas barbecue, tables and chairs. In the evening, the petanque ground brings you together for a few lively games while your spectators sip a local rosé. The grilled meats, flavoured with thyme and rosemary picked from the scrubland, give off delicious smells. In the background, the Alpilles now show warm colours, the stubborn cicadas sing long after sunset, you look up to admire the twinkling stars and breathe a sigh of pleasure: you are really well...
